## Service Form

Please fill out the information below, and pack this form inside the box with your keyboard. Your email address is needed if you would like for us to send a PayPal invoice, or if you would like us to send you the UPS tracking number when your keyboard is shipped back to you. There is no need to send the power cord, cables, disks, or other accessories.

***Important: Make sure you have saved any sound data, sequencer data, etc. before sending us your keyboard.*** Some types of service work will erase any internal sound and/or sequencer data; it is your responsibility to save this data beforehand.
